EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR NO. 43.

**SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.**

The information returned on the manifest (Forms 1590, 1590 A and 1590 B (new numbers 500, 500 A, and 500 B)), so far as it relates to the classification of the aliens in transit and to the classification of the manifest, should be made in accordance with the following instructions. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

**Column 1 (Age).**—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.

**Column 2 (Sex).**—The entry in column 2 should be either M (male) or F (female).

**Column 3 (Marital status).**—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).

**Column 4 (Calling or occupation).**—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example, Civil Engineer, stationary engineer, mining engineer, brass polisher, steel polisher, iron fitter, wood turner, etc., and not simply as engineer, polisher, goldsmith, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

**1. Farmer.**—A farmer is one who operates a farm, either for himself or others.

**2. Farm laborer.**—A farm laborer is one who works on a farm for the farmer who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

**Column 5 (Able to read and write).**—Column 5 is subdivided and the entries therein should be either Yes (can read and write), No (can neither read nor write), or Yes-No (can read but not write).

**Column 6 (Nationality).**—Column 6 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

**Column 7 (Race or people).**—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "French" by nationality. An alien who is Irish, German, or Hebrew, by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

\* The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

\* "West Indian" refers to the people of the West Indies other than Cubans (not Negroes).

**SPANISH-AMERICAN.**

"Spanish-American" refers to the people of Central and South America of Spanish descent.

**AFRICAN (BLACK).**

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

**ITALIAN (NORTH).**

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

**ITALIAN (SOUTH).**

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)." The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.

**Column 11 (Final destination).**—The entry in column 11 should show definitely the place (city or town) of final destination.

**Column 12 (Whether having a ticket (specify final destination)).**—The entry in column 12 should be either Yes (ticket) or No (no ticket).

**Column 13 (By whom sea passage paid).**—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend, steamship company, etc.

**Column 14 (Whether in possession of \$20, and if less, how much).**—The entry in column 14 should give for each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

**Column 15 (Whether ever before in the United States; and if so, when and where).**—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1894-97, Philadelphia.

**Column 16 (Going to join relative or friend; and if so, what relative or friend).**—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, H. INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.  
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).  
Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), Wd (widowed), or D (divorced).  
Column 4 (Calling or occupation).—The entry in column 4 should describe, as accurately as possible, the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.  
A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:  
A farmer is one who operates a farm, either for himself or others.  
A farm laborer is one who works on a farm for the man who operates it.  
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.  
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit"; those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.  
Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).  
Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.  
Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.  
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully reviewed by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cubes (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classed under this heading.

ITALIAN (NORTH).

The people who are native to that portion of Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sarinina) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894 St. Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 27.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).

Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).

Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply assembler, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmer* and *farm laborer*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should note this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit"; those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.

Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of Jewish, Russian, or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11-1115

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to that portion of Italy south of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy north of the River Po (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (south)." Most of these people speak a Gallic dialect of the Italian language.

Column 10 (Last permanent residence).—The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, Oct. 27, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

I, H. H. H. H. of the DEUTSCHLAND from HAMBURG, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 29 in number, and that from the report of said surgeon and from my own investigations, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony in other crime or offense involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

**Column 1 (Age).**—The figure of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.

**Column 2 (Sex).**—The entries in column 2 should be either M (male) or F (female).

**Column 3 (Married or single).**—The entry in column 3 should be either M (married) or S (single), W (widowed) or D (divorced).

**Column 4 (Calling or occupation).**—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel roller, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmer* and *farm laborer*, regardless of the amount of money shown as follows:

A *farmer* is one who works on a farm for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under heading of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classified as "tourists" under head of occupation.

**Column 5 (Date of arrival).**—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

**Column 6 (Nationality).**—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.

**Column 7 (Race or people).**—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully checked by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "French" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions apply to be specially observed:

- IRISH.**  
The term "Irish" refers to the Celtic people (not Negroes).
- WEST INDIAN.**  
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).
- SPANISH-AMERICAN.**  
"Spanish-American" refers to the people of Central and South America of Spanish descent.

**AFRICAN (BLACK).**  
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

**ITALIAN (NORTH).**  
The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Veneto and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

**ITALIAN (SOUTH).**  
The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)." The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

**Column 11 (Final destination).**—The entry in column 11 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

**Column 12 (Whether having a ticket to such final destination).**—The entry in column 12 should be either Yes (ticket) or No (no ticket).

**Column 13 (By whom passage was paid).**—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.  
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).  
Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), Wd (widow), or D (divorced).  
Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arriving, as for example, Civil engineer, stationary engineer, housewife, seamstress, mining engineer, brass polisher, steel polisher, iron moulder, wool turner, etc., and not simply as engineer, publisher, moulder, turner, or other indefinite designations.  
A distinction should be made between *farmer* and *farm laborer*, regardless of the amount of money shown, as follows:  
A *farmer* is one who operates a farm either for himself or others.  
A *farm laborer* is one who works on a farm for the owner or operator.  
Steamship companies should make this distinction on the manifests and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.  
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.  
Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).  
Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.  
Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.  
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11-115

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to that portion of Italy north of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)." The entry in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.  
Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).  
Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 14 (Whether in possession of \$50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.  
Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where).—The entry in column 15 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as 1891-95, Philadelphia.

Column 16 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to 27.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, H. Korte, of the DEUTSCHLAND from HAMBURG, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 29 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.  
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).  
Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), Wd (widowed), or D (divorced).  
Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mine foreman, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.  
A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:  
A farmer is one who operates a farm, either for himself or others.  
A farm laborer is one who works on a farm for the man who operates it.  
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.  
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists," under head of occupation.  
Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).  
Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.  
Column 7 (Place of birth).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.  
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly "English" appearing on a manifest does not necessarily mean "English" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.  
The term "Cuban" refers to the Cuban people (not Negroes).  
WEST INDIAN.  
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).  
SPANISH-AMERICAN.  
"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).  
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.  
ITALIAN (NORTH).  
The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.  
ITALIAN (SOUTH).  
The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."  
Column 10 (Last permanent residence).—The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.  
Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.  
Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.  
Column 12 (Whether having a ticket to each final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).  
Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.  
Column 14 (Whether in possession of \$20, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.  
Money brought by the head of a family should not be divided among the several members of the family.  
Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1891-97, Philadelphia.  
Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.  
Columns 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, Dr. Glantz, Surgeon of the DEUTSCHLAND SAILING THEREWITH, do solemnly, sincerely, and truly declare that I have had 4 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the German Government, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 29 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

# INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.  
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).  
Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), Wd (widowed), or D (divorced).  
Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.  
A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:  
A farmer is one who owns a farm, either for himself or others.  
A farm laborer is one who works on a farm for the man who operates it.  
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.  
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.  
Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).  
Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.  
Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.  
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.  
The term "Cuban" refers to the Cuban people (not Negroes).  
WEST INDIAN.  
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).  
SPANISH-AMERICAN.  
"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).  
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classed under this heading.  
ITALIAN (NORTH).  
The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak Gallic dialect of the Italian language.  
ITALIAN (SOUTH).  
The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."  
Column 8 (Last permanent residence).—The entries in column 8 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.  
Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.  
Column 9 (Final destination).—The entry in column 9 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.  
Column 10 (Whether having a ticket to reach final destination).—The entry in column 10 should be either Yes (ticket) or No (no ticket).  
Column 11 (By whom passage paid).—The entry in column 11 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.  
Column 12 (Whether in possession of \$20, and if less, how much).—The entry in column 12 should give in each case (individual or family) the exact amount of money shown.  
Money brought by the head of a family should not be divided among the several members of the family.  
Column 13 (Whether ever before in the United States; and if so, when and where).—The entries in column 13 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1884-87, Philadelphia.  
Column 14 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 14 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.  
Column 15 to 27.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, R. Haly, Master or Commanding Officer of the DEUTSCHLAND, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing lists or Manifest Sheets, in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

HAMBURG.

R. Haly

Sworn to before me this 10 day of May, 1907.

Immigration Officer.

State whether Master, First or Second Officer.

Dr. Gluck

Sworn to before me this 10 day of May, 1907.

Immigration Officer.

State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months; the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, coal miner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit"; those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard.

For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien may be Irish, German, or Hebrew by race, might properly come under the heading of United Kingdom, or any other country by nationality. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (NEGRO).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (south)." Most of these people speak a Gallic dialect of the Italian language.

Column 10 (Last permanent residence).—The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifest as United States for country of last permanent residence.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 12 (Whether having a ticket to each final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Ref. Jan. 23/07

\*Instead of showing occupation of tourists and aliens in transit, state in column 5 whether they are "tourists" or "in transit."

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, H. H. H. H. of the DEUTSCHLAND from HAMBURG do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 24 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

**Column 1 (Age).**—The return of age in column 1 should be expressed in years or months; the latter applying only to those under 1 year of age.

**Column 2 (Sex).**—The entry in column 2 should be either M (male) or F (female).

**Column 3 (Married or single).**—The entry in column 3 should be either M (married), S (single), Wd (widowed), or D (divorced).

**Column 4 (Calling or occupation).**—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit"; those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

**Column 5 (Able to read and write).**—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

**Column 6 (Nationality).**—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.

**Column 7 (Race or people).**—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of Great Britain, or any other country by nationality. In this connection the following distinctions should be especially observed:

**CUBAN.**  
The term "Cuban" refers to the Cuban people (not Negroes).

**WEST INDIAN.**  
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

**SPANISH-AMERICAN.**  
"Spanish American" refers to the people of Central and South America of Spanish descent.

**AFRICAN (BLACK).**  
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

**ITALIAN (SOUTH).**  
The people who are native to the basin of the River Po in northern Italy (i. e., some parts of Piedmont, Lombardy, Venetia, and Venetia and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (south)." Most of these people speak a Gallic dialect of the Italian language.

**ITALIAN (NORTH).**  
The people who are native to that portion of Italy south of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (north)." The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

**Column 10 (Last permanent residence).**—The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

**Column 11 (Final destination).**—The entry in column 11 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

**Column 12 (Whether having a ticket to such final destination).**—The entry in column 12 should be either Yes (ticket) or No (no ticket).

**Column 13 (By whom passage paid).**—The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

**Column 14 (Whether in possession of \$20, and if less, how much).**—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

**Column 15 (Whether ever before in the United States; and if so, when and where).**—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or years) for years; and place; as, 1904-07, Philadelphia.

**Column 16 (Going to join relative or friend; and if so, what relative or friend).**—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

**Columns 17 to 27.**—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, Dr. Glantz, Surgeon of the DEUTSCHLAND sailing therewith, do solemnly, sincerely, and truly declare that I have had 4 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the German Government, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 24 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, H. H. H. H. of the Deutschland from HAMBURG, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 29 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months; the latter applying only to those under 18 years of age.  
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).  
Column 3 (Marital condition).—The entry in column 3 should be either M (married), S (single), Wd (widowed), or D (divorced).  
Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, house painter, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.  
A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:  
A farmer is one who operates a farm, either for himself or others.  
A farm laborer is one who works on a farm for the man who operates it.  
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.  
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.  
Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).  
Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.  
Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.  
Special attention should be paid to No distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is French, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.  
The term "Cuban" refers to the Cuban people (not Negroes).  
WEST INDIAN.  
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).  
SPANISH-AMERICAN.  
"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).  
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South America, Europe or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classed under this heading.  
ITALIAN (NORTH).  
The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Liguria, Tuscany, the Marche, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.  
ITALIAN (SOUTH).  
The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marche, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."  
Column 8 (Last permanent residence).—The entries in column 8 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.  
Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.  
Column 9 (Final destination).—The entry in column 9 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.  
Column 10 (Whether having a ticket to such final destination).—The entry in column 10 should be either Yes (ticket) or No (no ticket).  
Column 11 (By whom was passage paid).—The entry in column 11 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.  
Column 12 (Whether in possession of \$20, and if less, how much).—The entry in column 12 should give in each case (individual or family) the exact amount of money shown.  
Money brought by the head of a family should not be divided among the several members of the family.  
Column 13 (Whether ever before in the United States, and if so, when and where).—The entries in column 13 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.  
Column 14 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 14 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.  
Column 15 to 27.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B)), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under one year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationer, engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "French" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i.e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)". Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i.e., compartments of Liguria, Tuscany, Marche, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)".

Column 10 (Last residence). — The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination). — The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination). — The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid). — The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$50, and if less, how much). — The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where). — The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend). — The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22. — The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

# EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

## SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B)), so far as it relates to alien arrivals (including those in transit, and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under one year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Business companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully reviewed by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "French" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

### CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

### WEST INDIAN.

"West Indian" refers to the people of the

## SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

## AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

## ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

## ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last residence). — The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination). — The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination). — The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid). — The entry in column 13 should show definitely, by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$ 50, and if less, how much). — The entry in column 14 should give, in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where). — The entries in column 15 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend). — The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B)), so far as it relates to alien arrivals (including those in transit and tonists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under one year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), W3 (widowed), or D (divorced).

Column 6 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard.

For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Veneto, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)". Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marche, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)".

Column 10 (Last residence). — The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination). — The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination). — The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom cost passage paid). — The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$50, and if so, how much). — The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where). — The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend). — The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22. — The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

The information returned on the manifest (Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B)), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under one year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers; regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write) or Yes—No (can read but not write).

Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to that portion of Italy south of the River Po (i.e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classified as "Italian (north)". Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy north of the River Po (i.e., compartments of Liguria, Tuscany, Marche, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classified as "Italian (south)".

Column 10 (Last residence). — The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination). — The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination). — The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid). — The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$ 50, and if less, how much). — The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where). — The entries in column 15 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend). — The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Column 17 to 22. — The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, *Katz*, of the *Deutschland*, from *Hamburg*, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, *30* in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Sworn to before me this *23* day of *May*, 1907

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Form 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under one year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)". Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)".

Column 10 (Last residence). — The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.

Column 11 (Place of destination). — The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination). — The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid). — The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$50, and if less, how much). — The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where). — The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend). — The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 21. — The answers in these columns are subject to revision by any inspecting officer in the examination of immigrants.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifest, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard.

For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "French" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (Black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)". Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)".

Column 10 (Last residence). — The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.

Column 11 (Place of destination). — The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination). — The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom passage paid). — The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$ 50, and if less, how much). — The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where). — The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend). — The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22. — The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.  
Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under one year of age.  
Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).  
Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).  
Column 6 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.  
A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:  
A farmer is one who operates a farm, either for himself or others.  
A farm laborer is one who works on a farm for the man who operates it.  
Vessels companies should make this distinction on the manifests, and corrections therein should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.  
Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).  
Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.  
Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.  
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

- CUBAN.  
The term "Cuban" refers to the Cuban people (not Negroes).  
WEST INDIAN.  
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)". Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marche, Umbria, Lazio, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)".

Column 10 (Last residence). — The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.  
Column 11 (Final destination). — The entry in column 11 should show definitely the place (city or town) of final destination.  
Column 12 (Whether having a ticket to such final destination). — The entry in column 12 should be either Yes (ticket) or No (no ticket).  
Column 13 (Whether in possession of \$50, and if less, how much). — The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.  
Column 14 (Whether in possession of \$50, and if less, how much). — The entry in column 14 should give in each case (individual or family) the exact amount of money shown.  
Money brought by the head of a family should not be divided among the several members of the family.  
Column 15 (Whether ever before in the United States, and if so, when and where). — The entries in column 15 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place; as 1894-97, Philadelphia.  
Column 16 (Going to join relative or friend, and if so, what relative or friend). — The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.  
Column 17 to 23. — The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

**SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.**  
The information returned on the manifest (Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B)), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 15, by a descriptive title indicating briefly the subject to which it relates.  
Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under one year of age.  
Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).  
Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).  
Column 6 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.  
A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:  
A *farmer* is one who operates a farm, either for himself or others.  
A *farm laborer* is one who works on a farm for the man who operates it.  
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.  
Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).  
Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.  
Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.  
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "Franco" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

**CUBAN.**  
The term "Cuban" refers to the Cuban people (not Negroes).  
**WEST INDIAN.**  
"West Indian" refers to the people of the West Indies other than Cubans (not Negroes).

**SPANISH-AMERICAN.**  
"Spanish-American" refers to the people of Central and South America of Spanish descent.  
**AFRICAN (BLACK).**  
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.  
**ITALIAN (NORTH).**  
The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Veneto, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)". Most of these people speak a Gallic dialect of the Italian language.  
**ITALIAN (SOUTH).**  
The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)".  
Column 10 (Last residence). — The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.  
Column 11 (Final destination). — The entry in column 11 should show definitely the place (city or town) of final destination.  
Column 12 (Whether having a ticket to such final destination). — The entry in column 12 should be either Yes (ticket) or No (no ticket).  
Column 13 (By whom passage paid). — The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.  
Column 14 (Whether in possession of \$50, and if less, how much). — The entry in column 14 should give in each case (individual or family) the exact amount of money shown.  
Money brought by the head of a family should not be divided among the several members of the family.  
Column 15 (Whether ever before in the United States; and if so, when and where). — The entry in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as 1894-97, Philadelphia.  
Column 16 (Going to join relative or friend; and if so, what relative or friend). — The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.  
Column 17 to 22. — The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

**SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.**  
The information returned on the manifest (Forms 1500, 1500 A, and 1500 B (new numbers 900, 900 A, and 900 B)) so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.  
Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under one year of age.  
Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).  
Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).  
Column 6 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.  
A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:  
A *farmer* is one who operates a farm, either for himself or others.  
A *farm laborer* is one who works on a farm for the man who operates it.  
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.  
Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).  
Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.  
Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.  
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

- CUBAN.**  
The term "Cuban" refers to the Cuban people (not Negroes).  
**WEST INDIAN.**  
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

**HISPANIC-AMERICAN.**  
"Hispanic-American" refers to the people of Central and South America of Spanish descent.  
**AFRICAN (BLACK).**  
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.  
**ITALIAN (NORTH).**  
The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Veneto, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)". Most of these people speak a Gallic dialect of the Italian language.  
**ITALIAN (SOUTH).**

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILING ALIEN MANIFESTS.

The information returned on the manifest [Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B)], so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 2 (Age). — The return of age in column 2 should be expressed in years or months, the latter applying only to those under one year of age.

Column 3 (Sex). — The entry in column 3 should be either M (male) or F (female).

Column 4 (Married or single). — The entry in column 4 should be either M (married), S (single), W (widowed), or D (divorced).

Column 5 (Calling or occupation). — The entry in column 5 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "French" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Negroes.

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i.e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants (whether residing in Italy, Switzerland, Austria-Hungary, or any other country) should be classed as "Italian (north)". Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i.e., compartments of Liguria, Tuscany, Marche, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)".

Column 10 (Last residence). — The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination). — The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination). — The entry in column 12 should be either Yes (has) or No (no ticket).

Column 13 (By whom passage was paid). — The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$50, and if so, how much). — The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where). — The entries in column 15 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1884-87, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend). — The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Column 17 to 22. — The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 48.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.  
The information returned on the manifest (Forms 1500, 1500 A, and 1500 E (new numbers 500, 500 A, and 500 B), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.  
Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under one year of age.  
Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).  
Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).  
Column 6 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.  
A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:  
A farmer is one who operates a farm, either for himself or others.  
A farm laborer is one who works on a farm for the man who operates it.  
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.  
Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).  
Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.  
Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.  
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race may be "France" by nationality. An alien who is Irish, German, or Hebrew by race may be "France" by nationality. An alien who is Irish, German, or Hebrew by race may be "France" by nationality. An alien who is Irish, German, or Hebrew by race may be "France" by nationality.

CUBAN.  
The term "Cuban" refers to the Cuban people (not Negroes).  
WEST INDIAN.  
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.  
"Spanish-American" refers to the people of Central and South America of Spanish descent.  
AFRICAN (BLACK).  
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.  
ITALIAN (NORTH).  
The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)". Most of these people speak a Gallic dialect of the Italian language.  
ITALIAN (SOUTH).  
The people who are native to that portion of Italy north of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marche, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)".  
Column 10 (Last residence). — The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.  
Column 11 (Final destination). — The entry in column 11 should show definitely the place (city or town) of final destination.  
Column 12 (Whether having a ticket to such final destination). — The entry in column 12 should be either Yes (ticket) or No (no ticket).  
Column 13 (By whom was passage paid). — The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.  
Column 14 (Whether in possession of \$50, and if less, how much). — The entry in column 14 should give in each case (individual or family) the exact amount of money shown.  
Money brought by the head of a family should not be divided among the several members of the family.  
Column 15 (Whether ever before in the United States; and if so, when last entered). — The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1890-91, Philadelphia.  
Column 16 (Going to join relative or friend; and if so, what relative or friend). — The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.  
Column 17 (Answers in these columns are subject to revision by inspectors and registry clerks).

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

**SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.**  
The information returned on the manifest (Forms 1500, 1500 A, and 1500 B (new numbers 540, 540 A, and 540 B), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following instructions. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 15, by a descriptive title indicating briefly the subject to which it relates.  
Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under one year of age.  
Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).  
Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).  
Column 6 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.  
A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:  
A *farmer* is one who operates a farm, either for himself or others.  
A *farm laborer* is one who works on a farm for the man who operates it.  
Vessels companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.  
Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).  
Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.  
Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.  
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

**CUBAN.**  
The term "Cuban" refers to the Cuban people (not Negroes).  
**WEST INDIAN.**  
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

**SPANISH-AMERICAN.**  
"Spanish-American" refers to the people of Central and South America of Spanish descent.  
**AFRICAN (BLACK).**  
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.  
**ITALIAN (NORTH).**  
The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marche, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)". Most of these people speak a Gallic dialect of the Italian language.  
**ITALIAN (SOUTH).**  
The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marche, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (south)".  
Column 10 (Last residence). — The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.  
Column 11 (Final destination). — The entry in column 11 should show definitely the place (city or town) of final destination.  
Column 12 (Whether having a ticket to such final destination). — The entry in column 12 should be either Yes (ticket) or No (no ticket).  
Column 13 (By whom was passage paid). — The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.  
Column 14 (Whether in possession of \$50, and if less, how much). — The entry in column 14 should give in each case (individual or family) the exact amount of money shown.  
Money brought by the head of a family should not be divided among the several members of the family.  
Column 15 (Whether ever before in the United States; and if so, when and where). — The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as 1894-97, Philadelphia.  
Column 16 (Going to join relative or friend; and if so, what relative or friend). — The entry in column 16 should show whether going to join other relative or friend; and if so, what relative or friend, with name and complete address.  
Columns 17 to 23. — The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B)), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 15, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under one year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)". Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)".

Column 10 (Last residence). — The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination). — The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination). — The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid). — The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether on possession of \$ 50, and if less, how much). — The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where). — The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend). — The entry in column 16 should show whether going to join either a relative or friend; and if so, the relative or friend, with name and complete address.

Column 17 to 22. — The answers in these columns are subject to revision by any immigration officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B)), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under one year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wool turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard.

For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)". Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marche, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)".

Column 10 (Last residence). — The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination). — The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination). — The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid). — The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$ 50, and if less, how much). — The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where). — The entries in column 15 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend). — The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 & 18. — The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard.

For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to that portion of Italy north of the basin of the River Po (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)". Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marche, Umbria, Latiun, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)".

Column 10 (Last residence). — The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination). — The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination). — The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom passage paid). — The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$50, and if less, how much). — The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where). — The entries in column 15 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend). — The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 23. — The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 10, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under one year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marche, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)".

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B); so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 15, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under one year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm, for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hungarian by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTHERN).

The people who are native to the basin of the River Po in northern Italy (i.e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)". Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i.e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)".

Column 10 (Last residence). — The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination). — The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination). — The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom passage paid). — The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$20, and if less, how much). — The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where). — The entries in column 15 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend). — The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Column 17 to 22. — The answers in these columns are subject to inspection of the inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

**SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.**  
The information returned on the manifest (Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B)), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases, up to and including column 16, by a descriptive title indicating briefly the subjects to which it relates.  
Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under one year of age.  
Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).  
Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).  
Column 6 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron moulder, wood turner, etc., and not simply as engineer, polisher, moulder, turner, or other indefinite designations.  
A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:  
A *farmer* is one who operates a farm, either for himself or others.  
A *farm laborer* is one who works on a farm for the man who operates it.  
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.  
Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).  
Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.  
Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.  
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

**CUBAN.**  
The term "Cuban" refers to the Cuban people (not Negroes).  
**WEST INDIAN.**  
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

**SPANISH-AMERICAN.**  
"Spanish-American" refers to the people of Central and South America of Spanish descent.  
**AFRICAN (BLACK).**  
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates admixture of negro blood should be classified under this heading.  
**ITALIAN (NORTH).**  
The people who are native to that portion of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)". Most of these people speak a Gallic dialect of the Italian language.  
**ITALIAN (SOUTH).**  
The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marche, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)".  
Column 10 (Last residence). — The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.  
Column 11 (Final destination). — The entry in column 11 should show definitely the place (city or town) of final destination.  
Column 12 (Whether having a ticket to such final destination). — The entry in column 12 should be either Yes (ticket) or No (no ticket).  
Column 13 (By whom was passage paid). — The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.  
Column 14 (Whether in possession of \$50, and if less, how much). — The entry in column 14 should give in each case (individual or family) the exact amount of money shown.  
Money brought by the head of a family should not be divided among the several members of the family.  
Column 15 (Whether ever before in the United States; and if so, when and where). — The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1894-97, Philadelphia.  
Column 16 (Going to join relative or friend; and if so, what relative or friend). — The entry in column 16 should show whether going to join a relative or friend; and if so, what relative or friend, with name and complete address.  
Columns 17 to 22. — The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classification. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 1 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under one year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom, or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

"The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)". Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marche, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)".

Column 10 (Last residence). — The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination). — The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination). — The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid). — The entry in column 13 should show definitely by whom passage was paid, as self; Husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$50, and if less, how much). — The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where). — The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend). — The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22. — The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

## EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

### SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under one year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation). — The entry in column 6 should describe, as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply an engineer, polisher, molder, turner, or other indefinite designation.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard.

For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "German" appearing on a manifest does not necessarily mean "German" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

### CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

### WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

### SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

### AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

### ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i.e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)". Most of these people speak a Gallic dialect of the Italian language.

### ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i.e., compartments of Liguria, Tuscany, Marche, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)".

Column 10 (Last residence). — The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.

Column 11 (Place of destination). — The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to reach final destination). — The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom cost passage paid). — The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$50, and if less, how much). — The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where). — The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend). — The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 23. — The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under one year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard.

For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "French" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Veneto, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)". Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)".

Column 10 (Last residence). — The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination). — The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination). — The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom and passage paid). — The entry in column 13 should show definitely by whom passage was paid, as, self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$ 50, and if less, how much). — The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where). — The entry in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend). — The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend; with name and complete address.

Columns 17 to 22. — The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forms 1500, 1500 A, and 1500 B) (new numbers 500, 500 A, and 500 B), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 15, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under one year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, spinner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject, and not country of last permanent residence.

Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard.

For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is French, German, or Hebrew by race might properly come under the head of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i.e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)". Most of these people speak a Gallo-Italian dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i.e., compartments of Liguria, Tuscany, Marche, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)".

Column 10 (Last residence). — The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination). — The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination). — The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom "passage" paid). — The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$50, and if less, how much). — The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where). — The entries in column 15 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend). — The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22. — The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B)), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under one year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply an engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it. Steamship companies should make this distinction of the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read, but not write).

Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people). — The entry in column 9 should show the race of people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)". Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marche, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)".

Column 10 (Last residence). — The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination). — The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination). — The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid). — The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 14 (Whether in possession of \$ 50, and if less, how much). — The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where). — The entries in column 15 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend). — The entry in column 16 should show whether going to join other a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22. — The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

The information returned on the manifest Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B) so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following instructions. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under one year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). — The entry in column 5 should be either M (married) or S (single). Wd. widowed; or D. divorced.

Column 6 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example, Civil engineer, stationary engineer, locomotive engineer, spinning engineer, hvy. painter, steel-poller, iron molder, wood turner, etc., and not simply as engineer, painter, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

*A farmer* is one who operates a farm, either for himself or others.

*A farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully reviewed by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

- CUBAN.**  
The term "Cuban" refers to the Cuban people (not Negroes).
- WEST INDIAN.**  
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African black" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i.e., compartments of Piedmont, Lombardy, Veneto, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italians (north)". Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i.e., compartments of Liguria, Tuscany, Marche, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italians (south)".

Column 10 (Last residence). — The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town, and city or town of last residence.

Column 11 (Final destination). — The entry in column 11 should show definitely the place, city or town of final destination.

Column 12 (Whether having a ticket to such final destination). — The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid). — The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 14 (Whether in possession of \$50. and if less, how much). — The entry in column 14 should give in each case individual or family the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where). — The entries in column 15 should show whether or not (Yes or No), in the United States before, and if so, the year (or period of years) and place, as, 1894-97, Philadelphia.

Column 16 (Give to him relative or friend, and if so, what relative or friend). — The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to 22. — The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILING ALIEN MANIFESTS.

The information returned on the manifest (Forms 1500, 1500-A, and 1500-B (new numbers 500, 500-A, and 500-B)) so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under one year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cubans (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classified as "Italian (north)". Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marche, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classified as "Italian (south)".

Column 10 (Last residence). — The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination). — The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to said final destination). — The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid). — The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; friendship company, etc.

Column 14 (Whether in possession of \$ 50, and if less, how much). — The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where). — The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend). — The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Column 17 to 19. — The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

## EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

### SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B)) so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under one year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard.

For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "French" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

This term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

### SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

### AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

### ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)". Most of these people speak a Gallic dialect of the Italian language.

### ITALIAN (SOUTH).

## EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

**SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.**  
The information returned on the manifest (Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following instructions. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.  
Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under one year of age.  
Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).  
Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).  
Column 6 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, house painter, steel painter, iron molder, wood turner, etc., and not simply as engineer, painter, molder, turner, or other indefinite designations.  
A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:  
A *farmer* is one who operates a farm, either for himself or others.  
A *farm laborer* is one who works on a farm for the man who operates it.  
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.  
Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).  
Column 8 (Nationality). — Column 8 should be considered to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.  
Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.  
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

### CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

### WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

### SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

### AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

### ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)". Most of these people speak a Gallic dialect of the Italian language.

### ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)".

Column 10 (Last residence). — The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination). — The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination). — The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom visa passage paid). — The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 14 (Whether in possession of \$50, and if less, how much). — The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where). — The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or years) and place, as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend). — The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Column 17 to 22. — The answers to these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILING ALIEN MANIFESTS.

The information returned on the manifest (Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B)) so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under one year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cubans (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTHERN).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Veneto, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (northern)". Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTHERN).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marche, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (southern)".

Column 10 (Last residence). — The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination). — The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to each final destination). — The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid). — The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 14 (Whether in possession of \$50, and if less, how much). — The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where). — The entries in column 15 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as 1884-87, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend). — The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 23. — The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Lebanon of the Pallanza, from Hamburg, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing List or Manifest Sheet, single in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said List or Manifests concerning each of said aliens named therein is correct and true in every respect.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

**SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.**

The information returned on the manifest (Forms 1600, 1600 A, and 1600 B (new numbers 500, 500 A, and 500 B)), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under one year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Stipendiary companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

- CUBAN.**  
The term "Cuban" refers to the Cuban people (not Negroes).
- WEST INDIAN.**  
"West Indian" refers to the people of the West Indies.

- SPANISH-AMERICAN.**  
"Spanish-American" refers to the people of Central and South America of Spanish descent.
- AFRICAN (BLACK).**  
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.
- ITALIAN (NORTH).**  
The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)". Most of these people speak a Gallic dialect of the Italian language.
- ITALIAN (SOUTH).**  
The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marche, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)".
- Column 10 (Last residence). — The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.
- Column 11 (Final destination). — The entry in column 11 should show definitely the place (city or town) of final destination.
- Column 12 (Whether having a ticket to such final destination). — The entry in column 12 should be either Yes (ticket) or No (no ticket).
- Column 13 (By whom last passage paid). — The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.
- Column 14 (Whether in possession of \$20, and if less, how much). — The entry in column 14 should give in each case (individual or family) the exact amount of money shown.
- Money brought by the head of a family should not be divided among the several members of the family.
- Column 15 (Whether ever before in the United States; and if so, when and where). — The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.
- Column 16 (Going to join relative or friend; and if so, what relative or friend). — The entry in column 16 should show whether going to join with a relative or friend; and if so, what relative or friend, with name and complete address.
- Answers in these columns are subject to revision by any officer of immigration.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B)), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in three special instructions and is followed, in parentheses, in all cases up to and including column 10, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under one year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or group). — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term, "Cuban" refers to the Cuban people (not Negroes).

WEST INDIES.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)". Most of these people speak a Gallo-dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marche, Umbria, Basilicata, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)".

Column 10 (Last residence). — The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination). — The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination). — The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom our passage paid). — The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$20, and if less, how much). — The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where). — The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend). — The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22. — The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under one year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "Franco" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew, by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i.e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)". Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i.e., compartments of Liguria, Tuscany, Marche, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)".

Column 10 (Last residence). — The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination). — The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to each final destination). — The entry in column 12 should be either: Yes (ticket) or No (no ticket).

Column 13 (By whom passage was paid). — The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$50, and if less, how much). — The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where). — The entry in column 15 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend). — The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 24. — The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 18, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under one year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female). Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)". Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)".

Column 10 (Last residence). — The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination). — The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination). — The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid). — The entry in column 13 should show only by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$50, and if less, how much). — The entry in column 14 should give in each case (individual or family) the exact amount of money

brought by the immigrant, and should not be divided among the several members of the family.

Column 15 (Whether in possession of \$50, and if less, how much). — The entry in column 15 should show the exact amount of money brought by the immigrant, and should not be divided among the several members of the family.

Column 16 (Whether in possession of \$50, and if less, how much). — The entry in column 16 should show the exact amount of money brought by the immigrant, and should not be divided among the several members of the family.

Column 17 (Whether in possession of \$50, and if less, how much). — The entry in column 17 should show the exact amount of money brought by the immigrant, and should not be divided among the several members of the family.

Column 18 (Whether in possession of \$50, and if less, how much). — The entry in column 18 should show the exact amount of money brought by the immigrant, and should not be divided among the several members of the family.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

The information returned on the manifest (Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B)), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 2 (Age). — The return of age in column 2 should be expressed in years or months, the latter applying only to those under one year of age.  
Column 3 (Sex). — The entry in column 3 should be either M (male) or F (female).  
Column 4 (Married or single). — The entry in column 4 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 5 (Calling or occupation). — The entry in column 5 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it. Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTHERN).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Veneto, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (northern)". Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTHERN).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marche, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (southern)".

Column 10 (Last residence). — The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.

Column 11 (Place of destination). — The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to each final destination). — The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid). — The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

I, J. H. H. H. H. Surgeon of the Pallanza, do solemnly, sincerely, and truly swear that I have had 10 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the German Government, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 30 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Sworn to before me this 24 day of May, 1907

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B)), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under one year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply an engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "Franco" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)". Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)".

Column 10 (Last residence). — The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination). — The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination). — The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom passage paid). — The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$20, and if less, how much). — The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where). — The entries in column 15 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend). — The entry in column 16 should show whether going to join relative or friend; and if so, what relative or friend.

Column 17 to 22. — The entries in columns 17 to 22 should be filled in by the inspection officer in the examination.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR NO. 43.

**SPECIAL INSTRUCTIONS FOR FOREIGN ALIEN MANIFESTS.**  
The information returned on the manifest (Forms 500, 500 A, and 500 B), so far as it relates to alien arrivals including those in transit and tourists, should be made in accordance with the following instructions. The number of the column of the manifest is given in these special instructions and is followed in parentheses, in all cases up to and including column 10, by a descriptive title indicating briefly the subject to which it relates.  
**Column 3 (Age).**—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.  
**Column 4 (Sex).**—The entry in column 4 should be either M (male) or F (female).  
**Column 5 (Married or single).**—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).  
**Column 6 (Calling or occupation).**—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, running engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.  
A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:  
**A farmer** is one who operates a farm, either for himself or others.  
**A farm laborer** is one who works on a farm for the man who operates it.  
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.  
**Column 7 (Able to read and write).**—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).  
**Column 8 (Nationality).**—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.  
**Column 9 (Race or people).**—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.  
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Polish by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

**CUBAN.**  
The term "Cuban" refers to the Cuban people (not Negroes).  
**WEST INDIAN.**  
"West Indian" refers to the people of the West Indies other than Cubans (not Negroes).

**SPANISH-AMERICAN.**  
"Spanish-American" refers to the people of Central and South America of Spanish descent.  
**AFRICAN (BLACK).**  
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.  
**ITALIAN (NORTH).**  
The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Veneto, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)". Most of these people speak a Gallic dialect of the Italian language.  
**ITALIAN (SOUTH).**  
The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marche, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)".  
**Column 10 (Last residence).**—The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.  
**Column 11 (Place of destination).**—The entry in column 11 should show definitely the place, city or town of final destination.  
**Column 12 (Whether having a ticket in each final destination).**—The entry in column 12 should be either Yes (ticket) or No (no ticket).  
**Column 13 (By whom was passage paid).**—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.  
**Column 14 (Whether in possession of \$50, and if less, how much).**—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.  
Money brought by the head of a family should not be divided among the several members of the family.  
**Column 15 (Whether ever before in the United States, and if so, when and where).**  
The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year or years (of years) and place; as, 1894-97, Philadelphia.  
**Column 16 (Going to join relative or friend, and if so, what relative or friend).**—The entry in column 16 should show whether going to join other relative or friend; and if so, what relative or friend, with name and complete address.  
**Column 17 (If 25).**—The answers to these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forms 500, 500 A, and 500 B), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed in parentheses in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).

Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (cannot read and write), or Yes—No (can read but not write).

Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.

Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or South America, Europe or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Chiana, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to each final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1894-97, Philadelphia.

Column 16 (Order to join relative or friend, and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

## EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

THE INFORMATION returned on the manifest (Forms 509, 500 A, and 500 B) so far as it relates to alien passengers (including those in transit and tourists) should be made in accordance with the following classification. The number of the column on the manifest is given in these special instructions and is followed in parentheses in all cases up to and including column 6, by a descriptive title indicating briefly the subject to which it relates.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).

Column 3 (Married or single).—The entry in column 3 should be either M (married), (single), W (widow), or D (divorced).

Column 4 (Occupation or profession).—The entry in column 4 should describe as accurately as possible, the occupation, trade, or profession of each alien as follows: For example, Engineer, Shipyard worker, Carpenter, Painter, Bricklayer, Farmer, etc. Do not simply use names, such as "farmer," "painter," "carpenter," or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who owns a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Students should make this distinction on the manifest, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien passengers.

Column 5 (Race or people).—Column 5 is subdivided and the entries therein should be either Yes or No, as indicated, and No, No (can neither read nor write), or Yes (can read but not write).

Column 6 (Nationality).—Column 6 should be construed to mean the country of which an alien is a citizen or subject.

Column 7 (Race or people).—The entry in column 7 should show the race or people as given in 6, on a race or people as given in 6, on a race or people as given in 6.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "French" by nationality. An alien who is Irish (German, or Hebrew by race) might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies (other than Cuba (not Negroes)).

SPANISH-AMERICAN refers to the people of Central and South America of Spanish descent.

AFRICAN-AMERICAN.

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, the West Indies, Africa, or any other country, whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to that portion of Italy north of the River Po, i.e., comprising Piedmont, Lombardy, Veneto, and Trentino and their descendants, whether residing in Italy, Switzerland, Austria, Hungary, or any other country, should be classified as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the River Po, i.e., comprising Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia and their descendants should be classified as "Italian (south)." The entry in column 10 should show the country and city or town of last permanent residence, instead of the place, city, or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether bringing a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (Whether bringing a passport).—The entry in column 13 should show definitely by whom passage was paid, i.e., self, husband, father, mother, or other relative; friend; steamship company, etc.

Column 14 (Whether bringing a passport of \$50, and if less, how much).—The entry in column 14 should show in each case (individual or family) the exact amount of money shown.

Column 15 (Whether arriving in the United States, and if so, when).—The entry in column 15 should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as, 1894, St. Philadelphia.

Column 16 (Whether going to join relatives or friends, and if so, what relationship).—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relationship or friend, with name and complete address.

Columns 17 to 20.—The entries in these columns are subject to revision by any inspection officer in the administration of immigration.

## LIST OF RACES OR PEOPLES.

"African, black" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, or from Africa. Any of whom there should be classified under Zin-borians.

The people who are native to the basin of the River Po in northern Italy or to other portions of Piedmont, Lombardy, Venetia and Liguria and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or in any other country, should be classed as Italian (north). Most of these people speak a Gallic dialect of the Italian language.

The people who are native to the portion of Italy south of the basin of the River Po are, comparatively, of the Ligurian, Etruscan, Malaguan, Umbrian, Latin, Abruzzese, Molise, Campanian, Apulian, Basilian, Calabrian, Sicilian, and Sardinian, and their descendants should be classed as Italian.

Country (Last Address). The entry in column 1 should show the country, city or town of permanent residence, instead of the previous city or town.  
 (When Last Addressed). The entry in column 2 should show accurately the place, city or town, of final destination.

12 should be *Colonia* (as in the orig. No. no tiolo). The entry in which I should show definitely by whom passage was paid (as self, husband, father, brother, or other relative, or agent, stevedore, immigrant, etc.).

column 13 should give in each case, individual or family, the exact amount of money shown.

The answers to column 15 should show whether or not (Yes or No) in this United States before; and if so, the year, or period of years, and place; as, 1840-47, Philadelphia.

Columns 14 to 16. - The answers in these columns are subject to revision by an inspection officer in the examination of immigrant.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

**SPECIAL INSTRUCTIONS FOR FILING ALIEN MANIFESTS.**  
The information returned on the manifest (Form 1300, 1500 A, and 1500 B) (now numbered 300 A and 300 B) in regard to alien arrivals including those in transit and tourists, should be made in accordance with the following instructions. The number of the column on the manifest is given in these special instructions and is followed in parentheses in all cases up to and including column 14, by a descriptive title indicating briefly the purpose of the column.  
Column 1 (Age).—The age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.  
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).  
Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).  
Column 4 (Calling or occupation).—The entry in column 4 should describe, as accurately as possible, the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron moulder, wood turner, etc. and must show as engineer, polisher, moulder, turner, or other industry designations.  
A distinction should be made between *seamen* and *farm laborers*, regardless of the amount of money shown, as follows:  
1. *Seamen* is one who operates a ship, either for himself or others.  
2. *Farm laborer* is one who works on a farm, either for himself or others.  
3. *Seamen* companies should make this distinction in the manifests and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.  
Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes (can read and write), No (can neither read nor write), or Yes—No (can read but not write).  
Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.  
Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.  
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

**CUBAN.**  
The term "Cuban" refers to the Cuban people (not Negroes).  
**WEST INDIAN.**  
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

**SPANISH-AMERICAN.**  
"Spanish-American" refers to the people of Central and South America of Spanish descent.  
**AFRICAN (BLACK).**  
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or South America, Europe or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.  
**ITALIAN (NORTH).**  
The people who are native to that portion of Italy north of the River Po (i. e., compartments of Liguria, Tuscany, Marche, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (north)". Most of these people speak a dialect of the Italian language.  
**ITALIAN (SOUTH).**  
The people who are native to that portion of Italy south of the River Po (i. e., compartments of Liguria, Tuscany, Marche, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)".  
Column 10 (Last residence).—The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.  
Column 11 (Final destination).—The entry in column 11 should show definitely the place, city or town of final destination.  
Column 12 (Whether coming to United States for a definite purpose).—The entry in column 12 should be either Yes (ticket) or No (no ticket).  
Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.  
Column 14 (Whether in possession of \$20, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.  
Money brought by the head of a family should not be divided among the several members of the family.  
Column 15 (Whether ever before in the United States and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as 1894-97, Philadelphia.  
Column 16 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 16 should show whether going to join either relative or friend and if so, what relative or friend, with name and complete address.  
Columns 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILING ALIEN MANIFESTS.

The information furnished on the manifest (Forms 1500, 1500 A, and 1500 B (new number)) should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all of columns 10, and including column 10, by a descriptive title indicating briefly the character of the person.

Column 1 (Age).—The number of years in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female). Column 3 (Married).—The entry in column 3 should be either M (married) or S (single, widowed, or divorced).

Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of such alien at arrival, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, glass polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown in column 14.

A farm laborer is one who works on a farm, either for himself or others.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and also country of last permanent residence.

Column 9 (Last name).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria, Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marche, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the country and city or town of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (if ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, for example, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join other relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

I, Ch. Sworn to before me this 10 day of May, 1907.

## EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

## SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information furnished on the manifest (Forms Nos. 1300 A, and 1300 B (new numbers 1000 and 1001)) is for use in relation to alien arrivals (including those in transit and departures), should be made in accordance with the following classifications. The number of the column on the manifest in which these special instructions and is to be placed in parentheses in all cases up to and including column 16 by a descriptive title indicating briefly the subject of the column.

Column 1 (Age).—The entry in column 1 should be either M (male) or F (female). Column 2 (Married or single).—The entry in column 2 should be either M (married) or S (single). Column 3 (Occupation).—The entry in column 3 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, agricultural implement mender, farmer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or the equivalent designation.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others. A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifest, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 4 (Able to read and write).—Column 4 is subdivided, and the entries therein should be either Yes, Yes (can read and write), No, No (can neither read nor write), or Yes-No (can read but not write).

Column 5 (Nationality).—Column 5 should be confined to mean the country of which immigrant is citizen or subject, and not country of last permanent residence.

Column 6 (Race or people).—The entry in column 6 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be given to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "French" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

## CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

## WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

## SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

## AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

## ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Veneto, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria, Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

## ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marche, Umbria, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Saragines) and their descendants should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the country, and city or town of last permanent residence, instead of the previous city or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place, city or town, of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$20, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be included among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States, before, and if so, the year or period of years, and place, as, 1895, Philadelphia.

Column 16 (Being taken relative or friend, and if so, what relative or friend).—The entry in column 16 should show whether going to join other relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

**SPECIAL INSTRUCTIONS FOR FILING ALIEN MANIFESTS.**

The information returned on the manifest (Forms 500, 500-A, and 500-B), so far as it relates to alien arrivals, including those in transit and tourists, should be made in accordance with the following classifications: The number of the column on the manifest is given in these special instructions and is followed, in parentheses, by the cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

**Column 1 (Age).** The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

**Column 4 (Sex).** The entry in column 4 should be either M (male) or F (female).

**Column 5 (Married or single).** The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

**Column 6 (Calling or occupation).** The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arriving, for example, cook, engineer, stationary engineer, janitor, machinist, painter, etc., and not simply as seaman, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

**1. *Farmer*** is one who operates a farm, either for himself or others.

**2. *Farm laborer*** is one who works on a farm for the man who operates it.

Ships' companies should make this distinction on the manifests and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

**Column 7 (Able to read and write).** Column 7 is subdivided and the entries therein should be either Yes, Yes (can read and write), No, No (can neither read nor write), or Yes-No (can read but not write).

**Column 8 (Nationality).** Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

**Column 9 (Race or people).** The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, *French* appearing on a manifest does not necessarily mean "French" by race or people and equally, "French" appearing on a manifest does not necessarily mean "French" by nationality. An alien who is Irish, German, or Hebrew by race or people, but who is French by nationality, should be classified as French by nationality. In this connection the following distinctions should be specially observed:

**ITALIAN.** The entry "Italian" refers to the Italian people (not Neapolitan).

**WEST INDIAN.** "West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

**SPANISH-AMERICAN.** refers to the people of Spanish and South American of Spanish descent.

**AFRICAN (BLACK).** refers to the African race, whether coming from Cuba or other islands of the West Indies, North or South America, Europe or Africa. An alien whose appearance indicates he is a Negro should be classified under this heading.

**ITALIAN (NORTH).** The people who are native to the basin of the River Po in northern Italy (i.e., the provinces of Piedmont, Lombardy, Venetia and Friuli) and their descendants, whether residing in Italy, Switzerland, Austria, Hungary, or any other country, should be classified as "Italian (North)." Most of these people speak a Gallic dialect of the Italian language.

**ITALIAN (SOUTH).** The people who are native to that portion of Italy south of the basin of the River Po (i.e., Campania, Apulia, Basilicata, Calabria, Sicily and Sardinia) and their descendants should be classified as "Italian (South)."

**Column 10 (Last residence).** The entry in column 10 should show the country and city or town of last permanent residence, in case of the province, city, or town.

**Column 11 (Place of birth).** The entry in column 11 should show definitely the place of birth or town, or final destination.

**Column 12 (Whether traveling or going to such and such destination).** The entry in column 12 should be either Yes (ticket) or No (no ticket).

**Column 13 (By whom was passage paid).** The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friends, steamship company, etc.

**Column 14 (Whether in possession of \$20, and if less, how much).** The entry in column 14 should give each case individually (or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

**Column 15 (Whether ever in the United States; and if so, when and where).** The entry in column 15 should show whether or not (Yes or No) in the United States before and after the year or period of years and places as 1894-97, Philadelphia.

**Column 16 (Giving full name of friend, and if so, what relative or friend).** The entry in column 16 should show who other going to join other relative or friend, and if so, what relative or friend, with name and complete address.

Columns 12 to 16.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.
